

## KRISHI VIGYAN KENDRA,AMBALA

### Self employment through Pig Farming : A Success story of Sh.Paramjeet Singh

#### Introduction :

Piggery is the most potential source of meat production and more efficient feed converters after the broiler. Apart from providing meat, Pig is also a source of bristles and manure. Pig farming provide employment opportunities for rural youth and improve their livelihood food security in the country.

Krishi Vigyan Kendra, Ambala (Tepla) is organizing training programme on commercial pig farming and number of farmers from different district of Haryana particularly Karnal, Kurukshetra, Yamunnagar, Ambala, Sonipat, Panipat and other states like U.P., Uttrakhand, Delhi, Punjab and participating and getting success in Pig farming.

#### KVK Interventions

Sh.Paramjeet Singh a large farmer having 10 hacture agricultural land. He grows wheat and paddy crops as well as Popular and Eucalyptus in the field. Sh.Paramjeet Singh S/o Sh.Darshan Singh, Village Chudiala of Ambala district approached to KVK,Ambala to establish the Pig unit and he got training on Pig farming in 2015. After training programme he constructed a Pig Farm of 200'X60' of size in his village. KVK provided 20 Large White Yorkshire piglets for his farm and scientist helped in selection and procurement of pigs from other areas of pig farms established by the KVK.

#### Chudiala Output :

150 sows  
KVK  
loaded on

Pig breeders,Chudiala for its popularization. The main output in pig farming achieved by sale of piglets, Gilt, boar, sow & manure.

#### Outcome:

The farmer, Sh.Paramjeet is selling weaned piglets @ Rs.2500-2600/- and pregnant sow around Rs. 15000-16000/- to other farmers/traders. In 2016-17 he sold the piglets and earned approximately Rs. 15.00 lacs and got net income Rs. 7.50 lacs. Now, Sh.Paramjeet Singh become a Progressive Pig Farmer in the district and he is providing quality White Yorkshire

#### KVK OFT on Pig Farm,

Presently he is maintaining around and 4-5 boars at his farm. Our Scientist made a video and farmer You tube by the name of Ambala

breed to other farmers also.

**Hon'ble DDG,ICAR & Director, ICAR-ATARI visited Pig Unit,Chudiala**

**Impact :**

This success has been achieved distinctly over the short period of time in a sustainable manner. He has also provided full time employment to a family at his farm.

Looking to this success more number of un-employed educated rural youth have been motivated and approaching to KVK to establish the Pig farm in the district and other regions.
